

PHILOSOPHY

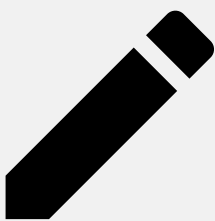

SUMMER PROGRAMS FOR ELEMENTARY

STEM

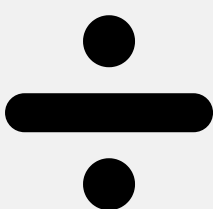

Ignite an interest in STEM subjects! A powerful and enjoyable way to engage young people with science, technology, engineering, and math subjects. Hands on experiences. Join with friends!

READING & WRITING

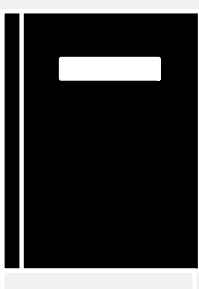

Does your student need some extra help with reading or writing? Affected by the spring shut down? We can help your student get back on track with their academic skills!

MATH

Is math a struggle? Summer is the perfect time to sharpen math skills! Help your student be ready for the fall semester by providing math tutoring this summer!

SUBJECT TUTORING

Does your student need a refresher on a subject? Do you want some extra help on a summer packet from school? We offer tutoring on all major subjects!
