

SUMMER PROGRAMS

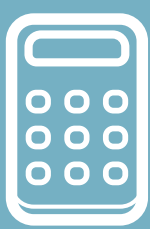

ACT & SAT PREP

Our ACT or SAT prep courses are customized for *your* student. We have multiple package options and flexible scheduling. It's test prep that works for you!

CREDIT RECOVERY

Need to retake a course? We offer all core subjects and many electives! Our courses are designed to supplement your school's existing curriculum and will allow you to recover any credits you may need.

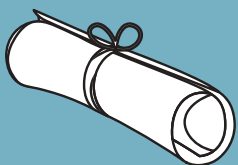

SUBJECT TUTORING

We offer tutoring in all subjects during the summer. Whether you want to review for an upcoming course or one you've taken, we can help! Did your school send out a summer packet? We can help!

GET AHEAD

Do you want to get ahead in high school or college credits? We offer over 40 high school courses that will transfer to your high school. We also tutor students taking college credits over the summer.

GRADUATE ON TIME

Missing credits? Need to fast track a few classes? We can help! Earn credits in the subjects you need and graduate on time. We offer courses in all major subjects and many electives!
